Unicorn Blue[®]

And the Caradoodle Quest

- Illustrated Bildungsroman Novella
- Gold Country Myth + Non-fiction Glossary

Summary

Rising ten thousand feet with a single spire that resembles the horn of a unicorn, the Whitney Survey of eighteen sixty-three easily gave Unicorn Peak its mythical name. From John Muir to Galen Rowell Celtic myth is embedded in Yosemite history.

Follow the path of Unicorn Blue through Yosemite's mythical waterfalls, peaks and valleys on her quest to find her BFF aka child Caradoodle. Easily connect students everywhere with the power of place-based learning.

Fully Integrated with Augmented Reality Scavenger Hunt and fifty Next-Gen STEM lessons, labs and assessments. Complete soup-to-nuts project-based learning unit and teacher guide available for English Language Arts, Social Studies and STEM.

- Paperback: 15.99 USD
- Dimensions: 5.25 x 8 inches
- ISBN: 978-1-7379467-0-0

Nominated for a Triple Crown Award and added to Harding University, Los Altos Elementary Schools and Children's library collections this 100-page novella with 50 full color illustrations and non-fiction glossary aimed at Celtic Lore & Immigration, Horse Care, Cooking and Yosemite's Natural Wonders is one that any budding Unicorn is sure to treasure.

Reviews

- Mom of young children, "Our favorite part was the maps...we spent an hour reading them!"
- Facebook Mom Influencer, "This is cool! Awesome illustrations!"
- Bookstore Owner, "Beautifully illustrated and keenly told American Tall Tale to enjoy by the light of a campfire."
